From the Principal’s Desk

Congratulations to the students who so capably represented our school last week. The rugby union, league and cricket teams displayed outstanding sportsmanship with the league and girl’s cricket teams progressing to the next round of their respective PSSA knockouts. The Eisteddfod choirs received excellent feedback from the adjudicators and were an absolute credit to our school. Thank you to the staff that go the extra mile to support the students in these endeavours. I extend the invitation made last week to parents/carers who would like to make comment about the changed parking conditions at the front of the school. Please email or drop your feedback into the front office.

Have a great week.

Our choir performed “Feelin’ Groovy” and “We are the World”. Although we did not place, our choir was amazing. The students looked splendid in full school uniform and are to be commended on their behaviour. Well done to all the choir members, you should be very proud of yourselves.

Girls’ Football
On Tuesday 26th of May we played Orana Heights at the Hans Claven field. We had a great day. In the first half we scored two goals and at the end, the score was 4 – nil. In August we will be travelling to Mudgee for a soccer gala day. All the girls played an outstanding game of soccer and should be very proud of themselves. They played well as a team with great passing, good positioning and a very strong back line. Everyone’s input was important and made a difference to the final result of the game.
